

Ethan Zanger is a results-driven media strategist with a proven track record of leading high-budget campaigns that deliver measurable brand growth, awareness, and traffic. With a deep understanding of digital marketing, media strategy, and client relations, Ethan excels at turning innovative ideas into successful executions. Ethan is an expert in leveraging data-driven insights and thrives in a collaborative team..

PROFESSIONAL EXPERIENCE

Mars United Commerce

Media Manager Jan-Aug 2026

Client: The Coca-Cola Company/Fairlife

Managed retail media Search programs across major retailers with **six-figure budgets**, including **\$180K+ in incremental Search investment for seasonal tentpoles**, using weekly pacing and optimization to ensure campaigns met performance benchmarks and delivery goals. Oversaw conversion-focused Search efforts generating **\$3M+ in attributed revenue** while sustaining **\$30–40 ROAS** and driving **25–40% New-to-Brand (NTB)** performance through a balanced mix of branded defense, category expansion, and conquering. Led monthly performance actualization and reporting by reconciling planned budgets against finalized spend, translating data into insights and recommendations used in shopper reviews and executive updates, and collaborating cross-functionally with analytics, investment, and client teams to support informed **six- and seven-figure media investment decisions**.

Managed \$336K Amazon Prime Day campaign for CorePower, driving \$971K+ in attributed revenue at **\$2.89 ROAS** while achieving **55% New-to-Brand performance**. Led daily optimization across Sponsored Products, Sponsored Brands, and Video placements, identifying Top of Search as the highest-performing segment (\$3.47 ROAS) and developing budget reallocation strategy projected to deliver \$97K+ in incremental sales. Delivered performance insights and recommendations to support ongoing media investment decisions

Whalar Group

Media Manager (Temp) July-Aug 2025

Client: Nestle, Roblox, A+E

Managed promoting influencer's assets on Meta and TikTok with a \$1.2M budget across all campaigns. Utilized weekly pacing to pull insights and optimizations for campaigns to ensure assets cleared benchmarks and KPIs. Oversaw both awareness and traffic driving campaigns in Meta with a focus on Amazon Prime Days. Assisted team on new business pitches, KOC and recommendations for new clients.

VaynerMedia
